Wishing a belated........but very Happy Birthday for last week to Charlie G, Sam F and Cody
Dear Parents,

The School Swimming Scheme is set to start this Monday (18\textsuperscript{th} Feb). Below details some information/tips that is important for you to be aware of:

- Ensure all swimming equipment is packed each day for the next two weeks. No phone calls will be made if equipment if forgotten, children will simply stay at school.
- Students will get changed at school. Students will need to have a plastic bag (or similar) that they can take to the toilets instead of their school bags. This will also be ideal for the wet clothing to make the trip home.
- **ALL CLOTHING/EQUIPMENT needs to be labelled.** We have over 60 students and as you can appreciate clothing being lost is inevitable. Please label socks, shoes, underwear, towels, thongs...the lot!
- Students **MUST** have footwear to wear to the pool (thongs are perfect). Students may also like to wear a shirt/shorts to the pool over the top of their swimmers.

The big one...

On the swimming days for the next two weeks the children will be eating their lunch at recess. The children will eat their ‘recess’ when we get back from the pool. On canteen days (Mondays) lunch will be served before going to the pool. However as **no recess will be available from the canteen**, children will need to bring a snack to eat for when we arrive back. Please discuss this with your child, as you may like to pack some additional food just in case.

**Parent Helpers**

Firstly, thank you for your support of the program. It is fabulous that we have had such a great response. I have made a timetable for helpers below. If your name isn’t listed and you are available at short notice you are still more than welcome to come and assist (the more eyes around the pool edge the better!).

I need to let you know that the first day is usually quite chaotic (organised of course!) as we confirm the groups and make sure all the children are in the correct ability group, however by day two things should calm down!

Please meet us at the Goonellabah Sports & Aquatic Centre. We are aiming to arrive at the pool at approximately 1.20pm.

Pierre, Josee-Marie and Julia please come along whenever you are available to assist.

It is mandatory for us to have ‘spotters’ around the pool to be extra sets of eyes. Also if a child is feeling unwell or if they need to go to the toilet etc teachers in the pool will send the child to a ‘spotter’ for assistance.

I completely understand if something comes up and you can’t attend on a day and if this does happen, please let me know in advance. Thank you once again – the program wouldn’t be able to go ahead without your assistance. Let me know if there are any problems!

Helen

Thanks
