**ELTHAM RAFFLE- assistance urgently required**
Thank you to Eloise James and Fiona Knight for stepping in to do last Sunday, which raised $200.00 for the school. Volunteers are urgently needed to sell meat tray raffle tickets at the Eltham Hotel for the next 3 Sundays.....so far we have had no response. This was not a planned activity however it is a great opportunity to raise funds from outside the school community. Two volunteers for the next 3 Sundays (including Easter Sunday) 17th, 24th & 31st March, to sell tickets at the Eltham Hotel from approx. 12 – 3pm would be appreciated. Please call the school office tomorrow if you can assist this weekend. Thank you.

**HARMONY DAY – Thursday 21st March**
As part of the national Harmony Day celebrations our school will be participating in an afternoon of traditional international games! The children will be organised into mixed age groups and will experience games representative of other countries in the world. School leaders will assist teachers with organisation. This involves lots of fun while celebrating our multicultural Australian society.

SCU Japanese Student Visit - By Seth, Will and Phill, Y6

Last week the pupils of Bexhill Public School received a wonderful visit from Japanese student visitors from Southern Cross University. After a quick introduction we were treated to a series of origami lessons. In that brief session of forty five minutes, we learnt to make various items including planes, flapping birds, jumping frogs, horses, roses, ninja stars and much more.

Next, after some aeroplane races, we took a partner and gave them a tour. We had about ten minutes in total, then pairs went back to the top C.O.L.A. We wrapped up the morning with a few Japanese songs and some high fives. Some students learnt how to say their name in Japanese.

Skiing - by Emile Y6

I started to ski at 3 years old. I ski at Mont-Grand-Fonds which is a small skiing centre. I ski with my family or with my friends.

I like to go on the big jump in the ski park. I am able to do a 360, a grab and a lot of other tricks. I like to play in the fluffy snow after a snowstorm. All the staff are very nice. It’s the first year I don’t have my skiing ticket. That doesn’t bother me though, because I am in Australia.

I really like skiing and I hope you can learn to ski during your life.

Interesting fact: Two weeks ago Mont Grand Fonds had a big snowstorm with snow 137cm deep.
