Clean Up Australia Day is a simple way we can take action to clean up, fix up and conserve our prized Australian environment. HELP!!! VOLUNTEERS NEEDED

ELTHAM RAFFLE –
We need volunteers to sell raffle tickets for meat trays (from Bexhill Quality Meats) at the Eltham Hotel each Sunday for the month of March, 12-3pm. If you would like to volunteer for one or more of these dates please call the school office. Currently we have only two volunteers! Thank you Kellie and Eloise.

This fundraiser is a great opportunity to raise funds ($200.00 per week) for the benefit of your childrens’ education.

GARDENING –
Bexhill PS requires assistance to clean and set up the vegetable garden and chicken enclosure. Following on from the fabulous effort creating the front School Gardens, we are asking for volunteers to assist in revamping this area.

Thank you to the volunteers who have indicated they would be willing to clear, dig and reset gardens for children to grow vegetables/fruit. If you could spare the time many hands make light work!

Date: Saturday 8th March at 9am. Please advise on the attached note if you can assist. Alternatively, if you could provide or donate any equipment which might be useful for example soil, rotary hoe, ‘sleepers’ to build vegetable bed, it would be greatly appreciated.

Feel free to bring any equipment you might think we will need or would be useful.

News from Class 1 /2H

In our class this term we have been reading, writing and talking about birds. The children have also made some fantastic bird sculptures. Together, we wrote a procedure explaining how to make these sculptures. Ayla in Kindergarten has made quite a few at home since the children presented the procedure at the assembly last Friday.

We are also hatching some chicken eggs in our classroom. Thank you to Mr Wiggins who gave us some eggs and Mrs Freeman who lent us the incubator. The children are making sure the incubator stays at the correct temperature and humidity level, as well as ensuring the eggs are turned three times a day. The eggs will hopefully hatch in 21 days, if all goes well.

P&C NEWS

The next meeting is Monday 3rd March at 7pm. Agenda for the meeting is - Fundraising ideas for this year.

Being a part of the P&C is a great way to be involved with your community and gives you the opportunity to share ideas and have a say in what happens at our school.

WIN IPADS FOR SCHOOL

The Northern Star is running a competition for local schools, where one lucky school has the chance to win a set of 10 I pads. There will be tokens in the paper everyday and we would like to encourage everyone to collect as many of these as possible to bring to the school. Ask everyone you know to collect them. There is a collection buckets in the office, and in the Before and after School care building! This would be such a great resource for your Children, let’s try and win this!
