**DO YOU HAVE ‘GREEN FINGERS’?**
Would you be interested in volunteering to lead a small group of children to assist in developing and caring for our vegetable gardens?

We require a regular volunteer for an hour or two weekly or fortnightly to work with children to grown and maintain our gardens.

We aim to be able to use/sell the produce within our school either for canteen or class cooking.

Please let me know if you are interested in assisting.

We’ve had a great start building our gardens, so please help develop it with your children.

We also aim to build our compost and worm farm. If anyone would like to offer assistance with either of these, it would be valuable.

The ‘Atlantic Pumpkin’ has been planted which we hope to nurture in readiness for the Lismore Show alongside some vegetables.

Any donation of cow/horse manure for the gardens would be welcome.

Thank you to Gemma Hall for being our first volunteer. If anyone else can assist in any of the above, please let me know!

Wendy Brierley

**SCHOOL CANTEEN**
In order to assist the ladies at Canteen and your child, please remember to supply your child’s lunch order, written on a bag clearly identifying their name, class and order requirements. Please enclose the money inside the bag.
