**Enrolments**

Thank you for another great term of Music in Schools. Progress Reports will be sent home from school at the end of term for all students in individual and small group lessons – please read the reports with your child to celebrate their achievements so far this year and to clarify goals for the coming term.

Please remember that enrolment continues for the school year, and it is essential to inform the Conservatorium with 2 weeks’ notice if your child is withdrawing from lessons at any time. There are vacancies for some instruments, and waiting lists for others – new students please contact the Conservatorium ASAP to be included in timetables for term 3. Enrol online at: www.enrol.nrcac.edu.au

**Julie Holidays – Northern Rivers Youth Orchestra, 8-10 July**

NRYO is for all young musicians (7-21 yo) who play an orchestral instrument and culminates in a public concert on the last evening.

We will be joined again by buddies from the Sydney Con and a guest conductor as well as expert sectional tutors. Enrolments have closed but super-keen students are welcome to express interest in going on the waiting list in case of withdrawals.

All are welcome to attend this great concert that is held at Southern Cross University’s Whitebrook Theatre at 6:30 on Thursday 10 July.

For all enquiries about Music in Schools phone Zoë at the Conservatorium on 6621 2266.

**What a busy term it has been! I wish all students and their families a happy and safe holiday.**

Sadly we say farewell, at least for the time being, to Ms Noble our 3/4N teacher. In the two terms she has worked at Bexhill she has had a most positive impact on the children she has taught; and also with the staff with her capacity for warmth and generosity.

We also extend a warm welcome to Brooklyn in Y3 who has already settled in to the routines of school.

**MULTI CULTURAL PUBLIC SPEAKING:**

Issy, Georgia and Lilli H participated in the regional Multicultural Public Speaking event held at Lismore Heights PS recently.

Their chosen topics included:

- Georgia: The Meaning of Australia Day
- Issy: The Same But Different
- Lilli: Every Family Has A Story

The girls found the experience challenging but rewarding and interesting at the same time. They particularly found the feedback from the adjudicator most helpful.

**GARDENING CLUB NEWS**

A huge thank you to Gemma Smith and Kirsten Keith for their valuable input into our gardens. Both ladies worked after hours last Friday planting donated plants near our sandpit. The children also harvested spinach, parsley, beetroot and lemons and made valuable dollars for future seedlings and another gardening bed.

Thank you to everyone who contributed towards improving our gardens this term. Mrs Brierley
