Being involved in the P & C is a great way to be involved with your community and gives you the opportunity to share ideas and have a say in what happens at our school.

GARDENING CLUB
The Gardening Club is underway. Thankyou to our new gardening club volunteers, Amanda, Emily and Janneke who ‘tidied up’ and prepared some vegetable patches yesterday. Thankyou Gemma for guiding these ladies.
There are great plans to develop the herb and vegetable patch and create a flower garden as well. The children are very excited to be rostered in this club and it commences next Tuesday morning at 10.00am. If you could come along and offer a little of your time it would be great.
Please phone the school or Amanda on 0432 361 929 if you can assist.
Any contributions such as seedlings, manure, or soil to top up a vegetable tub would be appreciated.
With thanks
Wendy Brierley
